

PUBLIC NOTICE

On May 19, 2020, the Madera County Board of Supervisors approved a revised rate at the Fairmead Landfill and North Fork Transfer Station for MRSH appliances including but not limited to:

- **Boilers**
- **Conventional Ovens**
- **Dehumidifiers**
- **Dish Washers**
- **Dryers**
- **Furnaces**
- **Heaters/Space Heaters**
- **Microwave Ovens**
- **Stoves**
- **Trash Compactors**
- **Washing Machines**
- **Water Heaters**

What is a MRSH Appliance?

According to the Department of Toxic Substances Control, MRSH (Materials that Require Special Handling) appliances contain components that are hazardous. These components must be removed before they are recycled which requires special handling. For more information on MRSH appliances, visit www.dtsc.ca.gov.

What are the prices for MRSH Appliances?

Effective July 1, 2020, each item listed above will be charged \$15 each.

Please note: Effective July 1, 2020, appliances with Freon (air conditioners, freezers, refrigerators, water coolers, etc.) will be increased from \$15.00 to \$20.00 each.
